

**You want to have a larger share of the cake?**

**Then offer your customers apart from the established product range an extremely economical alternative:**

**our thermostatic steam traps DK 47 / DK 57.**

They correspond in size and connection exactly with the most popular traps offered by our competitors.

**Better Quality**

improved deaeration characteristics thanks to slightly spherically designed seat.

**More Choice**

due to the comprehensive GESTRA product range.

**Better Price** we can undercut the major competitor by approx. 10%.

**DK 47, DK 57 · PN 63** similar to Class 400.
